ES CAB COMMUNICATIONS | Electrical cables & Communication System

ES CAB COMMUNICATIONS is established in 2012 as a trading electric cables and accessories solutions. Afterwards, with diversifying it's products range, we added ethernet cables, fibre optic cables and cabling structure system profile, control cables, fire resistant cables, silicone cables and fiberglass cables to our product range.

Our business supplies and produces Fiberglass cables, Instrumentation cables, Control cables, Fire alert cables, and Signal communications cables, Data cables, Structure cabling system, Silicon fire resistant cables, fibre optic cabling system.

We have our manufacturer partners for manufacturing and we are careful in selecting partners. We are one of the fastest growing companies in cables solutions in our region. We work with the most successful companies as our suppliers in order to be the most successful suppliers.

Increase our certified products range with UL, VDE, IEC, INTERTEK, LPCB, ROSH and TUV, DQS certify our quality management system according to ISO9001:2000.

Expand our technical staff for products development expand our production site as a part of our continuous improvement action plans. Our mission is to understand our customer's needs and offering them most suitable solutions in order to give them advantages in terms of innovation and competitiveness. From that point, we make use of our capabilities in highest efficiency and believe in continuous improvement but by acting according to business ethics.

We will be the leader in innovation for new products and production technologies for offering our customers best quality for lowest prices. We are focusing into structure cabling systems, electrical cables and cables accessories.

We do meet and exceed customer expectations at the first time and forever. We do outperform our continuous improvement target in terms of quality, technology, efficiency and value creation we do respect our environment, our society and we stick to the business ethics. We are open to new technologies and base our efficiency on innovation.

This mentality has leaded us to develop our corporate structure accordingly. Our management, production and R&D staff join this mentality and strives to service every inquiry, quote, and order quickly and efficiently, meeting and often exceeding customers' expectations.

No job is too big or too small for us, we are looking forward to our collaboration!

Greeting you sincerely,

ES CAB COMMUNICATION

## CERTIFICATE

This is certify that

**ES CAB COMMUNICATIONS Pte Ltd.**  
470 North Bridge Road, #05-12, Bugis Cube,  
Singapore 188735

Has implemented and maintains a Quality Management System.

Scope:  
The design and manufacture and trading of communication cables, fiber optic cables, low voltage cables, fire resistant cables, instrumentation cables and accessories. The ESCAB brand is representative of product groups. ESCAB is a brand of Electrical Cables & Communication products and solutions.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

Administrative Office: DQS Malaysia, Suite 414-416, Jalan 17/14, Seksyen 17, Petaling Jaya, Selangor - Malaysia

Our product range:

- Structure copper cabling system
- Structure fibre cabling system
- Data communication cables
- Flexible control cables
- Fire resistant cables IEC60331-21, BS 6387CWZ
- Instrumentation cables
- Power cables
- Heavy industrial cables
- Electrical cables accessories
- Function box industrial types, Ex type
- Flexible conduit & accessories
- Customize cables solutions
- Racks & cabinets system

Our product certified by:

**ES CAB**<sup>®</sup> Electrical Cables  
& Communication System

**ES CAB**® Electrical Cables  
& Communication System

Our solution:

- Structured cabling system
- Electrical cables
- Cables accessories
- Electrical solutions

Our market:

- Hydroelectric power plant
- Shopping centers
- Touristic Facilities
- Hospitals
- Residential buildings
- Administration Buildings
- Multifunctional buildings
- Industrial facilities
- International projects

Headquarter:

ES CAB COMMUNICATIONS PTE LTD.
